MEMORANDUM FOR: Chief, Technical Development Staff, NPIC

ATTENTION :

[Redacted]

SUBJECT : Staff Study for Color Film/Print Dryer Study (NPIC/TDS/
D/6-1733) of 22 December 1966

1. Paragraph 2, item "b" is in gross error. At present, the number of color viewgraphs produced of mission flight paths is negligible and presents no problem to PSD. Previously, subject viewgraphs were produced mainly on KH missions. However, this practice was discontinued three missions back without any criticism or comment from the recipients.

2. After consultation with the Chief, PSD and review of his comments regarding subject staff study, this Division must agree with the PSD comment and therefore, do not concur with the need for this expenditure at this time.
